

A TRIBUTE TO DETECTIVE COOKIE AND HER URBAN YOUTH CHESS CLUB, DINNER AND FUNDRAISING EVENT!

(A 501C-3 NON - PROFIT PROGRAM)

Hello!!! To all of you fine folks, who have either met or worked with *Detective Cookie*, (Denise Bouldin) over the years. Detective Cookie's chess program involves so many features - such as teaching anti-violence, demeanor, respecting others, alternatives in learning and recreation, building self-confidence, consequences, gaining community spirit and learning the game of chess!

As many as 200 of the 425 children over the age of 5 and under the age of 18 who presently use Detective Cookies chess club are considered living below the state poverty level. Since the program started in 2006, Detective Cookie's Urban Youth Chess club have been involved with over 4300 students and have over 51,000 teaching hours! How exciting!

Detective Cookie has sought her own funding over the years, which is now even more difficult in this economy. A group of local community members have gathered to assist Detective Cookie so that she can sustain her excellent work with our youth. We kindly ask for your help.
