# Community-Driven Outcomes in Affordable Housing Development

**February 27, 2018**

9:00 am – 3:30 pm Seattle Central Library

Please join us to discuss community participation in affordable housing development, both rental and ownership, to advance racial and social equity, anti-displacement and other community objectives

## ***Workshop Topics:***

The affordable housing development process. Explore ways communities can engage and drive outcomes.

Local and national case studies. Panel discussion

In depth discussions:

- ownership, partnerships, shared decision-making
- housing access for local communities
- commercial, cultural and community spaces

Opportunity for one-on-one technical advice

***For Information and to RSVP:*** [Click here](#)

*Lunch provided*

## ***Who should attend?***
