# EQUITABLE GROWTH DIALOGUES

## CONVERSATIONS ABOUT GROWTH, DEVELOPMENT AND INEQUALITIES IN SEATTLE

Please join Great City on Friday, April 1 and Saturday, April 2 for the Equitable Growth Dialogues, a series of probing community conversations concerning regional growth, urban development and entrenched inequalities in Southeast Seattle. Through a series of focused, frank exchanges, the Equitable Growth Dialogues are intended to help build bridges between environmentalists, urbanists and social justice advocates. We believe that now more than ever these sometimes disparate constituencies need to find a shared agenda built on common interests and values. We invite you to participate as your schedule allows. Daycare, translation and lunch will be provided.

### APRIL 1ST

For several months, students from around the country have been studying ways to transform the Mount Baker Station Area through the ULI/Gerald D. Hines Student Urban Design Competition. Join us for this presentation of their exciting proposals. A panel of respondents will be on hand to ask the students about the experience and what insights they had about development and growth in Southeast Seattle.

### APRIL 2ND

#### LUNCH & KEYNOTE ADDRESS: THE FRUITVALE SUCCESS STORY | 12 - 1 PM

Jeff Pace from the Unity Council in Oakland, California will share some of the successes and lessons learned with the development of the Fruitvale Village, a mixed use, mixed-income, transit oriented development.
